

Josh Hess

Software Developer

Experience

| | |
|----------------------------|--|
| AUGUST 2016 - PRESENT | Math TA/Grader <i>Southern Utah University</i> In the fall semester of 2016 I proctored and graded quizzes for a College Algebra class. Currently I am grading assignments and tests for an Intermediate Algebra class as well as a Linear Algebra class. |
| JUNE 2015 - AUGUST 2015 | Laundry Worker <i>Rodeway Inn</i> Solely responsible for doing all of the hotels laundry. |
| JULY 2014 - APRIL 2015 | Cashier <i>Hometown Market</i> Dealt with numerous people daily. Handled money, occasionally stocked inventory, and routinely cleaned. |
| MAY 2014 - AUGUST 2014 | Transporter <i>JN Auto</i> Responsible for shuttling newly purchased cars from auction house storage to dealership - a three hour drive one way |
| AUGUST 2011- July 2013 | Custodian <i>Genco</i> Mostly cleaned up after mechanics and kept their shop tidy. Also occasionally handled a power washer to clean the finished products, and organized inventory. |

Education

| | |
|---------------------------|---|
| AUGUST 2015 - PRESENT | BA in Mathematics, Computer Science, Philosophy <i>Southern Utah University</i> Halfway through a triple degree in Computer Science, Pure Mathematics, and Philosophy. |
| AUGUST 2012 - MAY 2015 | High School Diploma <i>Emery County High</i> Graduated top of my class as a sterling scholar with honors. |

Notable Achievements

| | |
|---------------|--|
| NOVEMBER 2016 | Network Dive <i>Code Jam</i> I competed with three others in Code Camp, a coding competition at Dixie University. We developed a network simulation inside a VR headset. I was in charge with integration with the headset and front end. We placed 3rd in the competition. |
| MARCH 2015 | Math Sterling Scholar <i>Regional Competition</i> I was selected to compete as the Math Sterling Scholar for my high school. I placed first. |
