Josh Hess

Software Developer

Education

AUGUST 2015 -
DECEMBER 2019

BS of Mathematics and Computer Science, BA of Philosophy
Southern Utah University

Currently halfway through a triple degree in Computer Science, Pure Mathematics, and Philosophy. Current GPA - 3.57.

Notable Achievements

NOVEMBER 2016

Network Dive
Code Jam

I placed third with three others in a competition called CodeCamp with a project that simulated live network traffic packets inside a VR headset.

MARCH 2015

Math Sterling Scholar
Regional Competition

I placed first in the southeast utah regional competition for Math Sterling Scholar.

Experience

AUGUST 2016 -
APRIL 2016

Math TA/Grader
Southern Utah University

In the fall semester of 2016 I proctored and graded quizzes for a College Algebra class. In spring semester I graded assignments and tests for an Intermediate Algebra class as well as a Linear Algebra class.

JUNE 2015 -
AUGUST 2015

Laundry Worker
Rodeway Inn

I was solely responsible for doing all of the hotels laundry.

JULY 2014 -
APRIL 2015

Cashier
Hometown Market

Dealt with numerous people daily. Handled money, occasionally stocked inventory, and routinely cleaned.

MAY 2014 -
AUGUST 2014

Transporter
JN Auto

Responsible for shuttling newly purchased cars from auction house storage to dealership - a three hour drive one way

AUGUST 2011-
July 2013

Custodian
Genco

Mostly cleaned up after mechanics and kept their shop tidy. Also occasionally handled a power washer to clean the finished products, and organized inventory.
